THE ASSOCIATION HAS A NEW PRESIDENT

Joe Ancello, who has been the president of the association since his election in June of this year, will be leaving Rochester because of a job promotion. We thank Joe for effectively serving as our president for those past five months and wish him good luck with his new job!

SU TILBITTS, our Vice-President, will become the new President. According to Roberts Rules of Order our new president may appoint a new Vice-president. Phil Grannan of Elmcroft has graciously accepted that post, which he held in 1975-76.

FALL PLANTING OF SPRING BULBS FOR THE ROSE GARDEN PARK will begin as soon as the shipment of 250 red and white tulip bulbs arrives. Purchase of the bulbs was financed by the neighborhood association for the neighborhoods enjoyment.
